\$736 million

added to real incomes in Indonesia
by Chevron and our partners
(2013)

government revenue

\$47.5 billion

generated in government revenue
by Chevron and our partners
(2009 to 2013)

In 2014, Chevron commissioned a study to quantify how our operations in Indonesia contribute to the economy. The study was conducted by the Institute for Economic and Social Research (LPEM), University of Indonesia and research firm IHS. Figures were calculated based on the average exchange rate in 2013 of \$1USD = 10,461 Rp.
